n into all those fruits of action, such are ornamental as wen'b. . i. ficial to human nature. We ought, therefore, not to be wanting to ourselves, in forwarding the intention of nature, by cultivating Sa the mind, and preparing each faculty all for the enjoyment of those objects i is capable of being affected with it the course of this life; for if we suf fer our minds to lie neglected, they will soon be overrun with vicious ha bits, as uncultivated fields run wild into weeds, briars and thistles. When the heart is depraved, there can be no good expected. It is a virtuous education alone that enables a man to discharge the various duties he may be called on to perform, with honor, that distinguishes him above his fellow creatures, and makes him a fit instrument to promote the hap- False piness of society.

It is a virtuous education, alone, that gives him the taste of true and solid virtue; inspires him with the love of his country, and with motives It gr to serve it well; teaching him to prefer the public good always to his own private interest or passion: to think nothing necessary but his duty, nothing valuable but integrity and juscious. In a word, it is a virtuous sh, inclining to a gale. This descrips Carrollton at Fafavette. He has left a education which makes a man dising the of weath continued until about two beautiful wife and we believe one child. education which makes a man disin- o'lock, p. m. Saturday, when there was terested, secures his own liberty, raises arapid incree in the uproar of the elehim above flattery, reproach, threats mats, and by hree o'clock a regular gale to injustice, however mighty and ofwine, and stimes its violenco was terformidable it may be, and habituates tile. The deersion of sign boards, the him in all his proceedings, to despise rirashing of indow blinds and shutters, the faint glitter of false glory, which vanishes like smoke, at the end of his die scattering telates and other appurtenlie scattering telates and other days, but to have always in view the lasting and incorruptible judgment of was directed; ut another danger soon beposterity.
